3rd September 2019

Dear Colleagues,

It gives us great pleasure to announce the First Colombo Medical Congress being organized to celebrate the 150th Anniversary of the Colombo Medical Faculty, from 12th to 15th February 2020, on the theme ‘Medicine in Sri Lanka - The Legacy & the Future’. We invite you to be a part of this historic event and join in celebrating our alma mater.

We hope that this event will provide an opportunity to showcase the wide ranging work, experiences and accomplishments of our alumni, and invite you to select and propose at least one speaker from each of your batches for any of the following activities within the congress.

 Guest lecture or plenary during the sessions: duration of 20 minutes
 Panel discussion or seminar: 3-4 speakers, total duration of 1.5 hours
 ‘A batch meeting’ as you had during student days

Please visit our website colombomedicalcongress.org and email your proposals to info@colombomedicalcongress.org

Please note the following when making your submission:

 State the email subject as “Proposal for Colombo Medical Congress 2020”.
 The name, designation, potential topics and contact numbers of the potential speaker(s) and their year of entry to the Faculty must be included.
 Deadline for submission is 30th September 2019.
 The Organizing Committee will select potential resource persons and inform them by 15th October 2019.

We anticipate a positive and enthusiastic response from you and your batchmates and hope to see you actively participate in this Congress and related social programmes. We also request you to please circulate the attached First Call for Abstracts.

Welcome to the Colombo Medical Congress 2020!

Best Wishes,
